ADVISERS

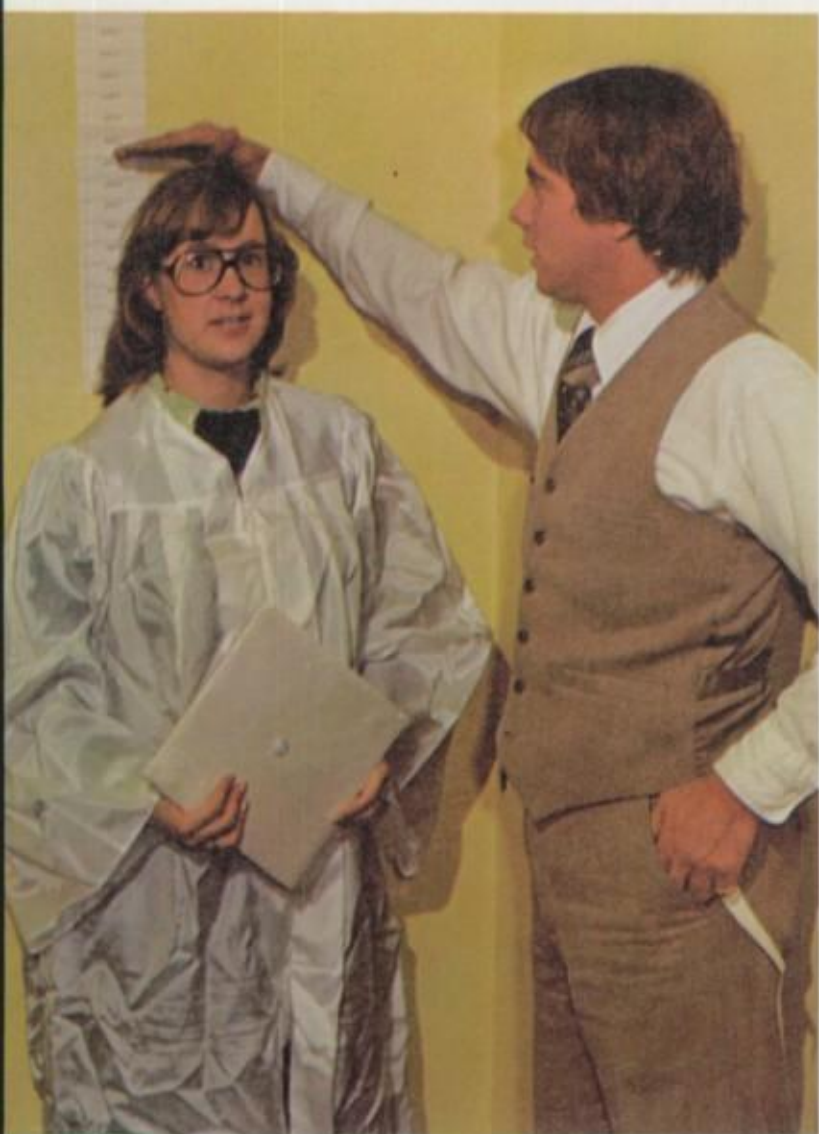

To everything there is a
season,
and a time to every
purpose under the heaven:
A time to be born,
and a time to die;
a time to plant,
and time to pluck up that
which is planted;
A time to kill;
and a time to heal;
a time to break down,
and a time to build up;
A time to weep,
and a time to laugh;
and time to mourn,
and a time to dance;
A time to cast away stones,
and a time to gather stones
together;
a time to embrace,
and a time to refrain from
embracing;
A time to get,
and a time to lose;
A time to keep,
and a time to cast away;
A time to rend,
and a time to sew;
and time to keep silence,
and a time to speak;
A time to love,
and a time to hate;
a time of war,
and a time for peace.

DEDICATION

The theme of the Bervalon of the class of 1977 is "Changes through Time" and in keeping with the many changes he has seen in our school through the years, we are dedicating this year's yearbook to "Coach" John Lichvar.

Coach Lichvar graduated from Boswell High School, where he competed in football, basketball and track. He was captain of the 1932 undefeated football team.

Mr. Lichvar graduated from Washington and Jefferson College in 1938 and joined the Berlin faculty in 1946, after three years of military service. He has taught Health and Physical Education and coached football, basketball and baseball. Presently he is the Athletic Director at BBHS. His civic activities include membership in the Lions Club, the American Legion, and Elks Club.

John Lichvar is known and respected by alumni and students for his contributions — civic, scholastic and athletic — to the community and the school. The class of '77 extends its thanks to "Coach" for his many years of unselfish service to the youth of Berlin.

IN MEMORY OF

David Elwood Sarver

Born: May 15, 1959
Died: October 18, 1976

God hath not promised
skies always blue,
Flower-strewn pathways
all our lives through;
God hath not promised
sun without rain,
Joy without sorrow
peace without pain.

But God hath promised
strength for the day,
Rest for the labor,
light for the way,
Grace for the trials,
help from above,
Unfailing sympathy,
undying love.

The first high school band was organized in 1937 by Mr. Miles Lumbar, the instrumental music teacher in the new Berlin Brothersvalley High School. Before this time we had adult community bands led by Don Kimmel, and a Boy Scout Band formed by Mr. Earl Boucher. The band has come a long way in these past forty years. Today's Berlin High School Band is a very active organization. It provides half time entertainment at football games along with participating in various parades. We also have an active concert band, elementary and junior bands and a newly formed stage band. These bands are under the direction of Mr. and Mrs. Robert Montgomery.

The Future Teachers of American was organized in 1962 under the direction of Mr. William Webreck. The name of the organization was changed to Youth Education Association in 1972. The purpose of the club is to provide service to both the school and community. Members serve as tutors and teachers' aides and work with the American Cancer Society.

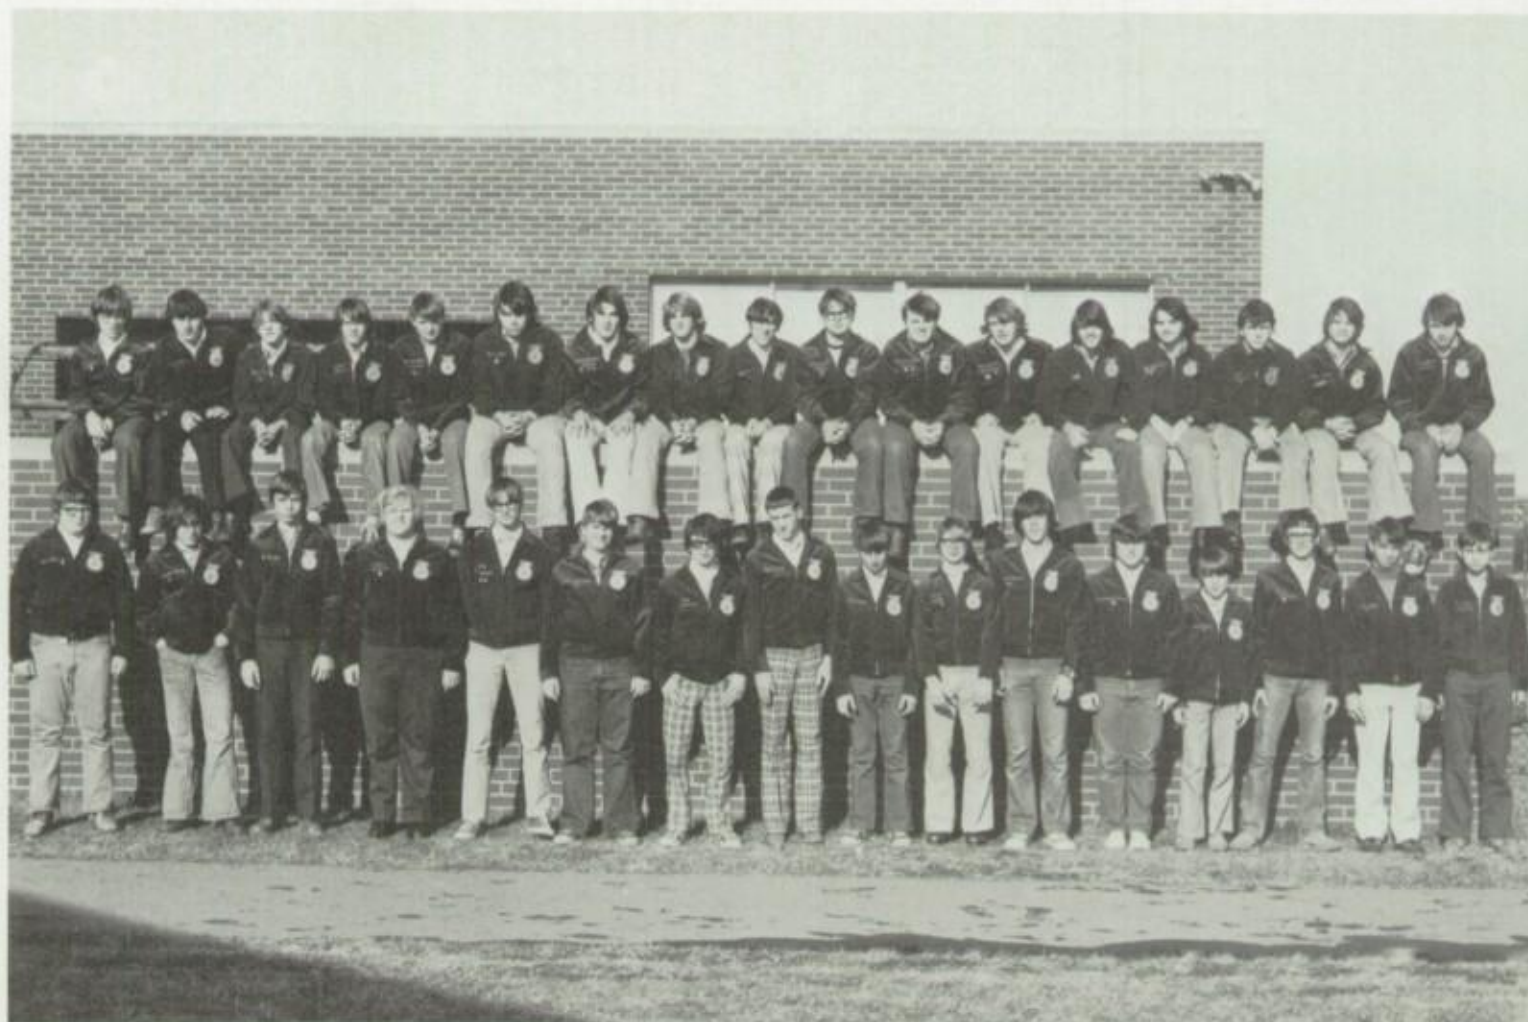

The Scholastic Quiz Team was organized in 1968. The Quiz team consists of six members (four regulars and two substitutes). The winning school receives a \$300 scholarship from the University of Pittsburgh at Johnstown, who co-sponsors the Quiz with WJAC. This year the Scholastic team met Greater Johnstown Area High School and United High School.

BERVALON

Tawnya Webreck — Co-Editor, Diane Shark — Advisor, Brian Black — Co-Editor

Bervalon is an elective open to any senior interested in publishing the yearbook. The class is held five days a week and consists of four groups, each headed by an assistant editor. These groups are copy, layout, photography, and business.

From 1931 to 1937 the yearbook was called "Mountaineer." In 1938 the first *Bervalon* was published. The *Bervalon* is to portray the school activities, sports, highlights, faculty and administration, and students. In order to select a name a contest was held. A senior, Virginia Miller suggested the name *Bervalon* which signifies the union of the two school districts. The letters "Ber" stands for Berlin, "val" for Brothersvalley, and "on" which is Latin for book.

"To everything there is a season, and a time to every purpose under the sun." As we, the class of 1977, approach our final high-school days, we leave with memories. There will probably be times we will wish we were back in school, but realize that we must be on our own. We have spent time learning and maturing, not only academically, but socially. We have grown up with time, and now this is our season. We were prepared to help, share with, and care for people, and now we are ready to take the changes of time to better understand ourselves and others.

So as our high-school days come to an end, we feel we have obtained values to help ourselves and others, and now is the time to put them to use.
